Federal Produce Policy Manual

The first complete U.S. federal reference manual for fruits, vegetables and tree nuts

About the Publisher

The Federal Produce Policy Manual is authored by one of the nation's most experienced firms involved in federal produce matters. Schramm, Williams & Associates, Inc., was established in 1984 and has over a hundred years of combined expertise in the industry. The FPP Manual has been in development for over a decade with the goal of providing a complete understanding of federal policy with respect to the produce industry. FPP is a division of St. Leonard Investment Company, Inc.
